AGENDA FOR THE SPRING MEETING

The SenNet Consortium Spring Meeting: April 25-26, 2024

Bethesdan Hotel
8120 Wisconsin Ave, Bethesda, MD 20814
(301) 652-2000

Day 1 *(April 25, 2024)*	

8:00 - 9:00 am	**Registration/Check-in with Catered Full Breakfast**
9:00 - 9:15 am	**SenNet Welcome and Overview (NIH)**
9:15 - 9:25 am	**Judy Campisi Tribute**
9:25 - 10:15 am	**Campisi Lecture - Han Li**
10:15 - 10:30 am	**Break**
10:30 - 11:30 am	**CODCC Update** Data and Portal Demonstration Maps and Atlas Vision (tissue-specific senescence) Moderator: Jonathan Silverstein
11:30 - 12:10 pm	**Breakouts by Organ Systems** ● **Including both Mouse and Human** ● **Generate Thesis for each Tissue relevant to the State of the State of Senescence Science** ● (thesis statement, set of priorities, tissue-specific publication) ● Moderator: Marissa Schafer
12:10 - 1:10 pm	**Catered Lunch**
1:10 - 1:40 pm	**Technology Exchange Breakouts: TDA and TMC protocols and techniques sharing and collaborations** Moderator: Jennifer Elisseeff
1:40 - 2:40 pm	**Sharing Ongoing Collaborative projects (5 min each)** Cross-consortium benchmarking 5 by 5 5 Intra-consortium collaborative projects Moderator: Jesse Helfer
2:40 - 2:50 pm	**Break**

2:50 - 4:00 pm	**Existing Working Group Breakouts -** Goal to have 3 priorities (and updated charges) Moderator: SC Chair
4:00 - 4:45 pm	**Junior Investigators**
4:45 - 5:45 pm	**Poster Session**
	Evening Networking – Local Restaurants

Day 2: *(April 26, 2024)*	
7:30-8:30 am	**Check-in/Catered Full Breakfast**
8:30-9:45 am	**Assigned Breakouts for Establishing Priorities and Report Back of Priorities** What do we need to have answered? Where are we going? What key science is missing in the field of senescence that we could do as a group that is impossible in one lab? Moderator: Jonathan Silverstein
9:45-10:00 am	**Break**
10:00-10:15 am	**Kaggle Award Presentation**
10:15-11:00 am	**Highest Priority Topic (Determined from Breakout Session)** **Joint Brainstorm** (action oriented plans as outcome)
